

Overton

Report on East China Normal University articles cited in policy

Summary report for 1,555 scholarly books and articles cited by 65 different countries

This is a trial version of Overton

This version of the app will only show you the first three pages of search results.

If you've got any questions – or just want some tips on how to get the most out of your trial – then don't hesitate to [email](#) or [contact us](#) via the chat window.

Article count

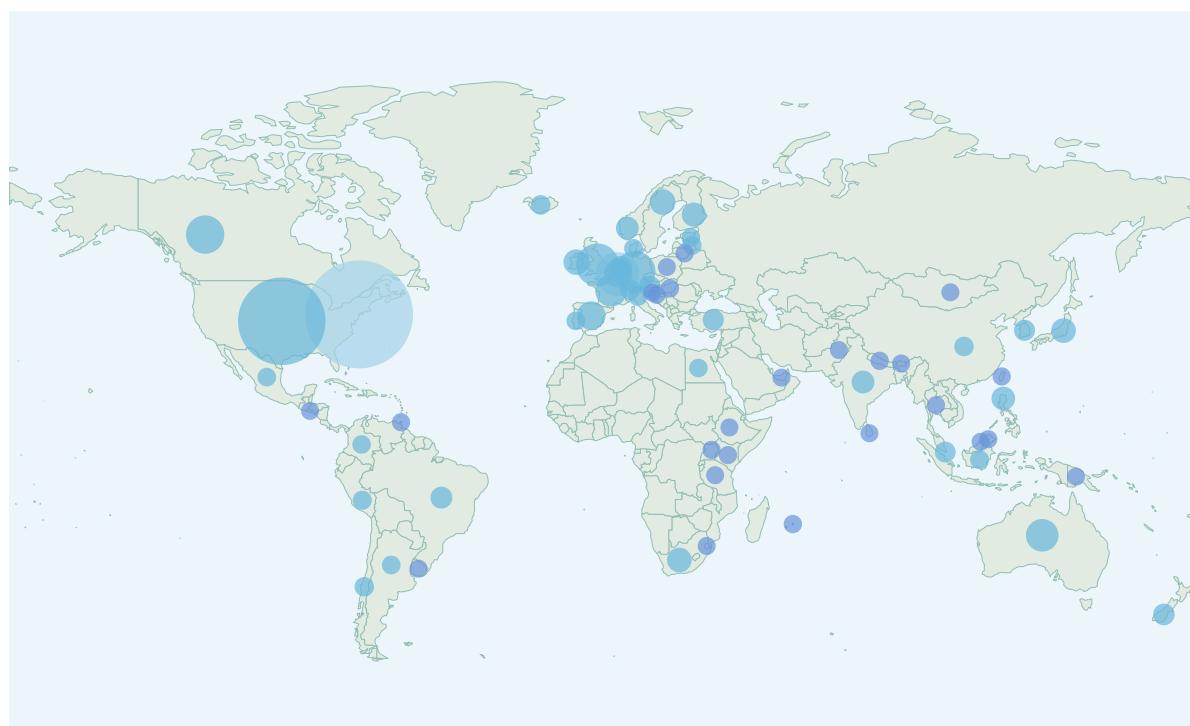

1,555

Cited in countries

65

Cited in sources

522

Citing policy countries

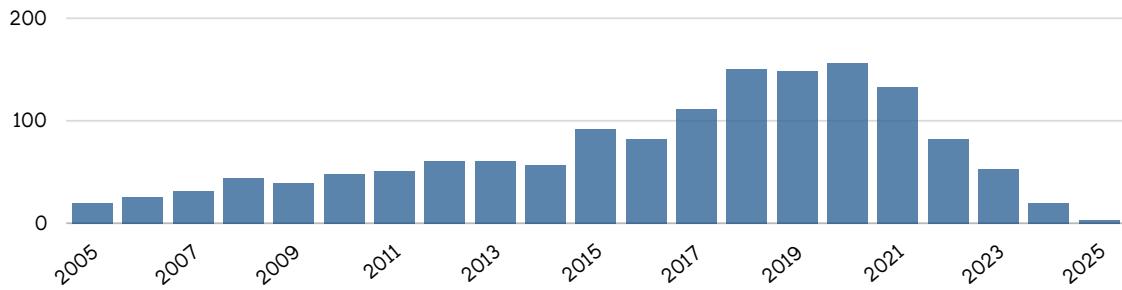

IGO	527	USA	408	EU	153
UK	147	Germany	136	Canada	120
